

WESTWOOD YOUTH GROUP PRAYER MONTH

To the Men and Women at Westwood,

As we all know, prayer is a powerful thing. Prayer has brought healing, comfort, and peace in my own life, and I understand the importance of prayer for a Christian's walk with God. Because of that, I would like to designate May as Thirty Days of Prayer for our youth group. I ask that you pray for their lives, their relationships with friends, their friend's lives (and even be so bold to pray for their friend's faith and our student's influence in their friend's lives), and for their parents, but most importantly, I beg that you pray for their walk with God. Pray for their faith and that they become true disciples of Christ. Pray for whatever God puts on your heart. The reason I am choosing May is because at the end of May, our summer activities start. Therefore, I know that through your prayer, God will already be working in their lives as we go on trips and serve others and that amazing things will happen! Also, pray for our trips, pray for our two interns (Hadley and Caroline), and finally, pray for me. Pray that I can lead them in the direction God desires.

To restate, I just ask that you take time out of your day each day in May to pray for these students...but you don't have to stop at the end of May. You can continue until the end of the year! You will see on the back side of this sheet a list of names. These are the names I have on my roster of students if you would like to pray for them individually. I know great things will come out of these prayers! Thank you all so much for taking your time to do this.

Your Brother in Christ,
Corey Morris

P.S. Although I wish I could have an entire list of all the middle school and high school aged students that participate in our activities, I am unable to do so because of our outdated roster. I've tried my best to add as many names as possible, so if you have a student who is not listed on this sheet, please do not get offended that their name is not listed, but let me know, so I can pray for them as well. God bless you all.
